

A pair of hands is shown from the side, palms facing each other, holding a glowing, semi-transparent hexagonal grid. The grid is composed of interconnected lines forming a honeycomb pattern. Within and around the grid are numerous small, bright orange and yellow particles, some of which appear to be floating or falling. The background is dark, making the glowing elements stand out. The text 'What + If = IEEE' is overlaid in white on the grid.

What + If = IEEE
