

# IEEE at a Glance

## Who is IEEE?

IEEE (Institute of Electrical and Electronics Engineers) is the world's largest technical professional organization dedicated to advancing technology for the benefit of humanity. IEEE and its members inspire a global community through its highly cited publications, conferences, technology standards, and professional and educational activities.

### IEEE has...

**422,000** members in over 160 countries, more than 50 percent of whom are from outside the United States

More than **123,000** student members

**339** Sections in **ten** geographic Regions worldwide

**2,116** Chapters that unite local members with similar technical interests

**3,285** Student Branches at colleges and universities in **100** countries

**2,266** Student Branch Chapters of IEEE technical Societies

**543** affinity groups; IEEE affinity groups are non-technical sub-units of one or more Sections or a Council. The affinity group patent entities are the Young Professionals (YP), Women in Engineering (WIE), IEEE Entrepreneurship, IEEE-USA Consultants' Network, and Life Members (LM).

### Plus...

**39** technical Societies and **seven** technical Councils representing the wide range of IEEE technical interests

Over **4.5 million** documents in the IEEE Xplore® digital library, with more than **8 million** downloads each month

Over **1,250** active standards and more than **700** standards under development

Publishes approximately **200** transactions, journals, and magazines

Sponsors more than **1,900** conferences in **103** countries each year
