IEEE at a Glance

Who is IEEE?

IEEE (Institute of Electrical and Electronics Engineers) is the world's largest technical professional organization dedicated to advancing technology for the benefit of humanity. IEEE and its members inspire a global community through its highly cited publications, conferences, technology standards, and professional and educational activities.

IEEE has...

422,000 members in over 160 countries, more than 50 percent of whom are from outside the United States

More than **123,000** student members

339 Sections in **ten** geographic Regions worldwide

2,116 Chapters that unite local members with similar technical interests

3,285 Student Branches at colleges and universities in **100** countries

2,226 Student Branch Chapters of IEEE technical Societies

543 affinity groups; IEEE affinity groups are non-technical sub-units of one or more Sections or a Council. The affinity group patent entities are the Young Professionals (YP), Women in Engineering (WIE), IEEE Entrepreneurship IEEE-USA Consultants' Network, and Life Members (LM).

Plus...

39 technical Societies and **seven** technical Councils representing the wide range of IEEE technical interests

Over **4.5 million** documents in the IEEE *Xplore*® digital library, with more than **8 million** downloads each month

Over **1,250** active standards and more than **700** standards under development

Publishes approximately **200** transactions, journals, and magazines

Sponsors more than **1,900** conferences in **103** countries each year
